9. *Grief Psychotherapy Evaluation Analogue Inventory*
10. *Grief Psychotherapy Evaluation Brief Inventory*
11. *Grief Psychotherapy Evaluation Inventory – 131*
12. *Grief Psychotherapy Evaluation Short Inventory*
13. *Narrative Enhancement Cognitive Psychotherapy Evaluation Analogue Inventory*
14. *Narrative Enhancement Cognitive Psychotherapy Evaluation Brief Inventory*
15. *Narrative Enhancement Cognitive Psychotherapy Evaluation Inventory – 146*
16. *Narrative Enhancement Cognitive Psychotherapy Evaluation Short Inventory*
17. *Schema Psychotherapy Evaluation Analogue Inventory*
18. *Schema Psychotherapy Evaluation Brief Inventory*
19. *Schema Psychotherapy Evaluation Inventory – 146*
20. *Schema Psychotherapy Evaluation Short Inventory*
21. *Self-Efficacy Psychotherapy Evaluation Analogue Inventory*
22. *Self-Efficacy Psychotherapy Evaluation Brief Inventory*
23. *Self-Efficacy Psychotherapy Evaluation Inventory – 153*
24. *Self-Efficacy Psychotherapy Evaluation Short Inventory*

Created Measurements For Children & Adolescents
(284) Measurements

1. *Achievement Anxiety for Children & Adolescents Analogue Scale*
2. *Achievement Anxiety for Children & Adolescents Brief Scale*
3. *Achievement Anxiety for Children & Adolescents Scale*
4. *Achievement Anxiety for Children & Adolescents Short Scale*
5. *Adolescent Sexual conflict Approach / Disapproach towards her Father Scale- 44*
6. *Adolescent Sexual Conflict Approach / Disapproach towards her Father Trauma Manifested in Perceived Complex Trauma Scale- 44*
7. *Adolescent Sexual Conflict Approach / Disapproach towards her Father Trauma Manifested in Perceived Complex Trauma Short Scale*
8. *Adolescent Sexual Conflict Approach / Disapproach towards her Father Trauma Manifested in Perceived Complex Trauma Brief Scale*
9. *Anxiety Exhaustion Syndrome for Children & Adolescents Analogue Check List*
10. *Anxiety Exhaustion Syndrome for Children & Adolescents Brief Check List*

11. *Anxiety Exhaustion Syndrome for Children & Adolescents Check List*
12. *Anxiety Exhaustion Syndrome for Children & Adolescents Short Check List*
13. *Anxiety Sensitivity for Children & Adolescents Analogue Scale*
14. *Anxiety Sensitivity for Children & Adolescents Brief Scale*
15. *Anxiety Sensitivity for Children & Adolescents Scale*
16. *Anxiety Sensitivity for Children & Adolescents Short Scale*
17. *Behavioral Symptoms of Depression for Children & Adolescents Analogue Check List*
18. *Behavioral Symptoms of Depression for Children & Adolescents Brief Checklist*
19. *Behavioral Symptoms of Depression for Children & Adolescents Checklist*
20. *Behavioral Symptoms of Depression for Children & Adolescents Short Checklist*
21. *Children Adjustment Disorder (Acute) Combined with Depressive Mood Diagnostic Symptoms Check List*
22. *Children Adjustment Disorder (Acute) Combined with Depressive Mood Diagnostic Symptoms Short Check List*
23. *Children Adjustment Disorder (Acute) Combined with Depressive Mood Diagnostic Symptoms Analogue Check List*
24. *Children Adjustment Disorder (Acute) Combined with Depressive Mood Diagnostic Symptoms Brief Check List*
25. *Children Bereavement Psychodiagnostic Symptoms Analogue Check List*
26. *Children Bereavement Psychodiagnostic Symptoms Brief Check List*
27. *Children Bereavement Psychodiagnostic Symptoms Check List*
28. *Children Bereavement Psychodiagnostic Symptoms Short Check List*
29. *Children Common Fears Survey Analogue Inventory*
30. *Children Common Fears Survey Brief Inventory*
31. *Children Common Fears Survey Short Inventory*
32. *Children Depression Revised Scale*
33. *Children Illustrative Situational Projective Test*
34. *Children Jealousy Analogue Scale*
35. *Children Jealousy Brief Scale*
36. *Children Jealousy Scale*
37. *Children Jealousy Short Scale*
38. *Children Stubborn Rabbit Illustrative Situational Projective Test*
39. *Children Stubbornness Behavior Analogue Scale*
40. *Children Stubbornness Behavior Brief Scale*
41. *Children Stubbornness Behavior Scale*
42. *Children Stubbornness Behavior Short Scale*
43. *Cognitive Symptoms of Anxiety for Children & Adolescents Analogue Check List*
44. *Cognitive Symptoms of Anxiety for Children & Adolescents Brief Check list*
45. *Cognitive Symptoms of Anxiety for Children & Adolescents Check list*
46. *Cognitive Symptoms of Anxiety for Children & Adolescents Short Check list*
47. *Cognitive Symptoms of Depression for Children & Adolescents Analogue Check List*
48. *Cognitive Symptoms of Depression for Children & Adolescents Brief Check list*
49. *Cognitive Symptoms of Depression for Children & Adolescents Check list*
50. *Cognitive Symptoms of Depression for Children & Adolescents Short Check list*
51. *Conduct Disorder Diagnostic Symptoms Analogue Check List*
52. *Conduct Disorder Diagnostic Symptoms Brief Check list*

53. *Conduct Disorder Diagnostic Symptoms Check list*
54. *Conduct Disorder Diagnostic Symptoms Short Check list*
55. *Control Anxiety for Children & Adolescents Analogue Scale*
56. *Control Anxiety for Children & Adolescents Brief Scale*
57. *Control Anxiety for Children & Adolescents Scale*
58. *Control Anxiety for Children & Adolescents Short Scale*
59. *Data Collection Index*
60. *Death Anxiety for Children & Adolescents Analogue Questionnaire*
61. *Death Anxiety for Children & Adolescents Brief Questionnaire*
62. *Death Anxiety for Children & Adolescents Questionnaire*
63. *Death Anxiety for Children & Adolescents Short Questionnaire*
64. *Dental Anxiety for Children & Adolescents Analogue Scale*
65. *Dental Anxiety for Children & Adolescents Brief Scale*
66. *Dental Anxiety for Children & Adolescents Scale*
67. *Dental Anxiety for Children & Adolescents Short Scale*
68. *Drama Action Imitation Scale*
69. *Dysfunctional Attitudes Toward Sickle Cell Disease Analogue Scale*
70. *Dysfunctional Attitudes Toward Sickle Cell Disease Brief Scale*
71. *Dysfunctional Attitudes Toward Sickle Cell Disease Scale*
72. *Dysfunctional Attitudes Toward Sickle Cell Disease Short Scale*
73. *Dysthymia Symptoms for Children & Adolescents Analogue Check List*
74. *Dysthymia Symptoms for Children & Adolescents Brief Check list*
75. *Dysthymia Symptoms for Children & Adolescents Check list*
76. *Dysthymia Symptoms for Children & Adolescents Short Check list*
77. *Emotional Symptoms of Anxiety for Children & Adolescents Analogue Check List*
78. *Emotional Symptoms of Anxiety for Children & Adolescents Brief Check list*
79. *Emotional Symptoms of Anxiety for Children & Adolescents Check list*
80. *Emotional Symptoms of Anxiety for Children & Adolescents Short Check list*
81. *Father – Pregnant Victim Oedipal Situation Worsened Trauma Manifested in Perceived Complex Trauma Inventory - 210*
82. *Father – Pregnant Victim Oedipal Situation Worsened Trauma Manifested in Perceived Complex Trauma Short Inventory*
83. *Father – Pregnant Victim Oedipal Situation Worsened Trauma Manifested in Perceived Complex Trauma Brief Inventory*
84. *Father - Victim Incest Pregnancy Trauma Manifested in Perceived Complex Trauma Inventory - 165*
85. *Father - Victim Incest Pregnancy Trauma Manifested in Perceived Complex Trauma Short Inventory*
86. *Father - Victim Incest Pregnancy Trauma Manifested in Perceived Complex Trauma Brief Inventory*
87. *Father - Victim lost Virginity Trauma Manifested in Perceived Complex Trauma Inventory - 165*
88. *Father - Victim lost Virginity Trauma Manifested in Perceived Complex Trauma Short Inventory*
89. *Father - Victim lost Virginity Trauma Manifested in Perceived Complex Trauma Brief Inventory*
90. *Father - Victim Sexual Rape Trauma Manifested in Perceived Complex Trauma Inventory – 165*
91. *Father - Victim Sexual Rape Trauma Manifested in Perceived Complex Trauma Short Inventory*
92. *Father - Victim Sexual Rape Trauma Manifested in Perceived Complex Trauma Brief Inventory*
93. *General Anxiety Analogue Scale*

94. *General Anxiety Brief Scale*
95. *General Anxiety Scale*
96. *General Anxiety Short Scale*
97. *Hospitalization Anxiety for Children & Adolescents Analogue Scale*
98. *Hospitalization Anxiety for Children & Adolescents Brief Scale*
99. *Hospitalization Anxiety for Children & Adolescents Scale*
100. *Hospitalization Anxiety for Children & Adolescents Short Scale*
101. *Intellectual Performance Adjectives Self – Evaluation for Children & Adolescents Brief Check List*
102. *Internal / External Irritability for Children & Adolescents Analogue Check List*
103. *Internal / External Irritability for Children & Adolescents Brief Check list*
104. *Internal / External Irritability for Children & Adolescents Check list*
105. *Internal / External Irritability for Children & Adolescents Short Check list*
106. *Jealous Cat Projective Test*
107. *Jealousy Behaviors for Children & Adolescents Analogue Questionnaire*
108. *Jealousy Behaviors for Children & Adolescents Brief Questionnaire*
109. *Jealousy Behaviors for Children & Adolescents Questionnaire*
110. *Jealousy Behaviors for Children & Adolescents Short Questionnaire*
111. *Jealousy Syndrome for Children & Adolescents Analogue Check List*
112. *Jealousy Syndrome for Children & Adolescents Brief Check list*
113. *Jealousy Syndrome for Children & Adolescents Check list*
114. *Jealousy Syndrome for Children & Adolescents Short Check list*
115. *Limiting Sexual Satisfaction Subsequently to the Father Trauma Manifested in Perceived Complex Trauma Inventory - 30*
116. *Limiting Sexual Satisfaction Subsequently to the Father Trauma Manifested in Perceived Complex Trauma Short Inventory*
117. *Limiting Sexual Satisfaction Subsequently to the Father Trauma Manifested in Perceived Complex Trauma Brief Inventory*
118. *Looseness Anxiety for Children & Adolescents Analogue Check List*
119. *Looseness Anxiety for Children & Adolescents Brief Check List*
120. *Looseness Anxiety for Children & Adolescents Check List*
121. *Looseness Anxiety for Children & Adolescents Short Check List*
122. *Morbid Jealousy for Children & Adolescents Analogue Questionnaire*
123. *Morbid Jealousy for Children & Adolescents Brief Questionnaire*
124. *Morbid Jealousy for Children & Adolescents Questionnaire*
125. *Morbid Jealousy for Children & Adolescents Short Questionnaire*
126. *Mothers Efficacy with Intellectual Developmental Disorder Children Scale -75*
127. *Mothers Efficacy with Intellectual Developmental Disorder Children Brief Scale*
128. *Mothers Efficacy with Intellectual Developmental Disorder Children Short Scale*
129. *Mothers Efficacy with Intellectual Developmental Disorder Children Analogue Scale*
130. *Multiphasic Complaint for Complex Trauma Check List - 70*
131. *Multiphasic Complaint Trauma Manifested in Perceived Complex Trauma Check List - 70*
132. *Multiphasic Complaint Trauma Manifested in Perceived Complex Trauma Short Check List*
133. *Multiphasic Complaint Trauma Manifested in Perceived Complex Trauma Brief Check List*
134. *Negative Body Image Trauma Manifested in Perceived Complex Trauma Scale - 64*
135. *Negative Body Image Trauma Manifested in Perceived Complex Trauma Short Scale*
136. *Negative Body Image Trauma Manifested in Perceived Complex Trauma Brief Scale*

137. *Pediatric Acrophobia Analogue Schedule*
138. *Pediatric Acrophobia Brief Schedule*
139. *Pediatric Acrophobia Schedule*
140. *Pediatric Acrophobia Short Schedule*
141. *Pediatric Death Fear Analogue Schedule*
142. *Pediatric Death Fear Brief Schedule*
143. *Pediatric Death Fear Schedule*
144. *Pediatric Death Fear Short Schedule*
145. *Pediatric Fear of Darkness Analogue Schedule*
146. *Pediatric Fear of Darkness Brief Schedule*
147. *Pediatric Fear of Darkness Schedule*
148. *Pediatric Fear of Darkness Short Schedule*
149. *Pediatric Fear of Failure Analogue Schedule*
150. *Pediatric Fear of Failure Brief Schedule*
151. *Pediatric Fear of Failure Schedule*
152. *Pediatric Fear of Failure Short Schedule*
153. *Pediatric Fear of Hurting's Analogue Schedule*
154. *Pediatric Fear of Hurting's Brief Schedule*
155. *Pediatric Fear of Hurting's Schedule*
156. *Pediatric Fear of Hurting's Short Schedule*
157. *Pediatric Fear of Pain Analogue Schedule*
158. *Pediatric Fear of Pain Brief Schedule*
159. *Pediatric Fear of Pain Schedule*
160. *Pediatric Fear of Pain Short Schedule*
161. *Pediatric Health Fears Analogue Schedule*
162. *Pediatric Health Fears Brief Schedule*
163. *Pediatric Health Fears Schedule*
164. *Pediatric Health Fears Short Schedule*
165. *Pediatric Medical Analogue Schedule*
166. *Pediatric Medical Brief Schedule*
167. *Pediatric Medical Schedule*
168. *Pediatric Medical Short Schedule*
169. *Pediatric Mysophobia Analogue Schedule*
170. *Pediatric Mysophobia Brief Schedule*
171. *Pediatric Mysophobia Schedule*
172. *Pediatric Mysophobia Short Schedule*
173. *Pediatric Physiophobia Analogue Schedule*
174. *Pediatric Physiophobia Brief Schedule*
175. *Pediatric Physiophobia Schedule*
176. *Pediatric Physiophobia Short Schedule*
177. *Pediatric School Phobia Analogue Schedule*
178. *Pediatric School Phobia Brief Schedule*

179. *Pediatric School Phobia Schedule*
180. *Pediatric School Phobia Short Schedule*
181. *Pediatric Social Phobia Analogue Inventory*
182. *Pediatric Social Phobia Brief Inventory*
183. *Pediatric Social Phobia Inventory*
184. *Pediatric Social Phobia Short Inventory*
185. *Pediatric Zoophobia & Herbetophobia Analogue Schedule*
186. *Pediatric Zoophobia & Herbetophobia Brief Schedule*
187. *Pediatric Zoophobia & Herbetophobia Schedule*
188. *Pediatric Zoophobia & Herbetophobia Short Schedule*
189. *Physical Symptoms of Anxiety for Children & Adolescents Analogue Check List*
190. *Physical Symptoms of Anxiety for Children & Adolescents Brief Check list*
191. *Physical Symptoms of Anxiety for Children & Adolescents Check list*
192. *Physical Symptoms of Anxiety for Children & Adolescents Short Check list*
193. *Physical Symptoms of Depression for Children & Adolescents Analogue Check List*
194. *Physical Symptoms of Depression for Children & Adolescents Brief Check list*
195. *Physical Symptoms of Depression for Children & Adolescents Check list*
196. *Physical Symptoms of Depression for Children & Adolescents Short Check list*
197. *Psychological Symptoms of Anxiety for Children & Adolescents Analogue Check List*
198. *Psychological Symptoms of Anxiety for Children & Adolescents Brief Check list*
199. *Psychological Symptoms of Anxiety for Children & Adolescents Check list*
200. *Psychological Symptoms of Anxiety for Children & Adolescents Short Check list*
201. *Psychological Symptoms of Depression for Children & Adolescents Analogue Check List*
202. *Psychological Symptoms of Depression for Children & Adolescents Brief Check list*
203. *Psychological Symptoms of Depression for Children & Adolescents Check list*
204. *Psychological Symptoms of Depression for Children & Adolescents Short Check list*
205. *Punishment Anxiety for Children & Adolescents Analogue Scale*
206. *Punishment Anxiety for Children & Adolescents Brief Scale*
207. *Punishment Anxiety for Children & Adolescents Scale*
208. *Punishment Anxiety for Children & Adolescents Short Scale*
209. *Religious & Spiritual Orientation for Children & Adolescents Analogue Scale*
210. *Religious & Spiritual Orientation for Children & Adolescents Brief Scale*
211. *Religious & Spiritual Orientation for Children & Adolescents Scale*
212. *Religious & Spiritual Orientation for Children & Adolescents Short Scale*
213. *School Classroom Jealousy for Children & Adolescents Analogue Scale*
214. *School Classroom Jealousy for Children & Adolescents Brief Scale*
215. *School Classroom Jealousy for Children & Adolescents Scale*
216. *School Classroom Jealousy for Children & Adolescents Short Scale*
217. *School Classroom Shyness for Children & Adolescents Analogue Scale*
218. *School Classroom Shyness for Children & Adolescents Brief Scale*
219. *School Classroom Shyness for Children & Adolescents Scale*
220. *School Classroom Shyness for Children & Adolescents Short Scale*
221. *Self – Shyness for Children & Adolescents Analogue Scale*
222. *Self – Shyness for Children & Adolescents Brief Scale*
223. *Self – Shyness for Children & Adolescents Scale*

224. *Self – Shyness for Children & Adolescents Short Scale*
225. *Separation Anxiety Regarding Parents or Caregiver for Children & Adolescents Questionnaire*
226. *Separation Anxiety Regarding Parents or Caregiver for Children & Adolescents Brief Questionnaire*
227. *Separation Anxiety Regarding Parents or Caregiver for Children & Adolescents Short Questionnaire*
228. *Separation Anxiety Regarding Parents or Caregiver for Children & Adolescents Analogue Questionnaire*
229. *Shyness' Symptoms for Children & Adolescents Analogue Check List*
230. *Shyness' Symptoms for Children & Adolescents Brief Check List*
231. *Shyness' Symptoms for Children & Adolescents Check List*
232. *Shyness' Symptoms for Children & Adolescents Short Check List*
233. *Siblings Jealousy for Children & Adolescents Analogue Scale*
234. *Siblings Jealousy for Children & Adolescents Brief Scale*
235. *Siblings Jealousy for Children & Adolescents Scale*
236. *Siblings Jealousy for Children & Adolescents Short Scale*
237. *Sickle Cell Disease Diagnostic Symptoms & Complications Analogue Inventory*
238. *Sickle Cell Disease Diagnostic Symptoms & Complications Brief Inventory*
239. *Sickle Cell Disease Diagnostic Symptoms & Complications Inventory*
240. *Sickle Cell Disease Diagnostic Symptoms & Complications Short Inventory*
241. *Social Satisfaction for Children & Adolescents Analogue Scale*
242. *Social Satisfaction for Children & Adolescents Brief Scale*
243. *Social Satisfaction for Children & Adolescents Short Scale*
244. *Social Satisfaction for Children & Adolescents, Scale*
245. *Social Shyness for Children & Adolescents Analogue Scale*
246. *Social Shyness for Children & Adolescents Brief Scale*
247. *Social Shyness for Children & Adolescents Scale*
248. *Social Shyness for Children & Adolescents Short Scale*
249. *Social Symptoms of Anxiety for Children & Adolescents Analogue Check List*
250. *Social Symptoms of Anxiety for Children & Adolescents Brief Check List*
251. *Social Symptoms of Anxiety for Children & Adolescents Check list*
252. *Social Symptoms of Anxiety for Children & Adolescents Short Check List*
253. *Stubbornness Syndrome for Children & Adolescents Analogue Check List*
254. *Stubbornness Syndrome for Children & Adolescents Brief Check List*
255. *Stubbornness Syndrome for Children & Adolescents Check list*
256. *Stubbornness Syndrome for Children & Adolescents Short Check List*
257. *Test Anxiety for Children & Adolescents Analogue Scale*
258. *Test Anxiety for Children & Adolescents Brief Scale*
259. *Test Anxiety for Children & Adolescents Scale*
260. *Test Anxiety for Children & Adolescents Short Scale*
261. *The Sad Bird Illustrated Situational Projective Pediatric Depression Test*
262. *The Sexual Stigma Scale – 40*
263. *The Sexual Stigma Trauma Manifested in Perceived Complex Trauma Scale - 40*
264. *The Sexual Stigma Trauma Manifested in Perceived Complex Trauma Short Scale*
265. *The Sexual Stigma Trauma Manifested in Perceived Complex Trauma Brief Scale*
266. *Victim Self-Sabotage Trauma Manifested in Perceived Complex Trauma Inventory - 30*
267. *Victim Self-Sabotage Trauma Manifested in Perceived Complex Trauma Short Inventory*
268. *Victim Self-Sabotage Trauma Manifested in Perceived Complex Trauma Brief Inventory*

269. *Victim Sexual Related Fears Trauma Manifested in Perceived Complex Trauma Inventory – 46*
270. *Victim Sexual Related Fears Trauma Manifested in Perceived Complex Trauma Short Inventory*
271. *Victim Sexual Related Fears Trauma Manifested in Perceived Complex Trauma Brief Inventory*
272. *Victim Stuck Trauma Manifested in Perceived Complex Trauma Brief Inventory*
273. *Victim Stuck Trauma Manifested in Perceived Complex Trauma Inventory - 22*
274. *Victim Stuck Trauma Manifested in Perceived Complex Trauma Short Inventory*
275. *Victim Toxic Feeling Domination Trauma Manifested in Perceived Complex Trauma Inventory - 30*
276. *Victim Toxic Feeling Domination Trauma Manifested in Perceived Complex Trauma Short Inventory*
277. *Victim Toxic Feeling Domination Trauma Manifested in Perceived Complex Trauma Brief Inventory*
278. *Victim Unreasonableness Swings Trauma Manifested in Perceived Complex Trauma Inventory - 144*
279. *Victim Unreasonableness Swings Trauma Manifested in Perceived Complex Trauma Short Inventory*
280. *Victim Unreasonableness Swings Trauma Manifested in Perceived Complex Trauma Brief Inventory*
281. *Worry for Children & Adolescents Analogue Scale*
282. *Worry for Children & Adolescents Brief Scale*
283. *Worry for Children & Adolescents Scale*
284. *Worry for Children & Adolescents Short Scale*

Translated Tools For Children & Adolescents

(178) Measurements

1. *Adolescent Perceived Costs and Benefits Scale for Sexual Intercourse (APCBSSI), developed by: Small*
2. *Adolescent Well – being Scale (AWBS), developed by: Antony Cox & Arnon Bentovim*
3. *Aggression Scale (AS):The Aggression Scale: A Self-Report Measure of Aggressive Behavior for Young Adolescents developed by: Orpinas & Frankowskis*
4. *Aggression Subscale from Parent Observation of Classroom Adaptation Scale (AS - POCA), developed by: Kellam, et. al.*
5. *Aggression Subscale from Teachers Observation of Classroom Adaptation Revised Scale (AS - POCA), developed by: Larson, et. al.*
6. *Aggressive Behavior Scale (ABS), developed by: Neese*
7. *Anger Expression Scale for Children (AESC) developed by : R. Steele, et. al.*
8. *Anger Expression Scale for Children (AESC), developed by: Steele, et. al.*
9. *Anger scale(AS) , developed by: Emete YAĞCI & Mehmet ÇAĞLAR*

10. *Attention Deficit Hyperactivity Disorder - Inattentive Type for Child Scale (DHD – ITCS)* , developed by: Fisher
11. *Attention Deficit Hyperactivity Disorder for Teachers Questionnaire*, developed by: Wilson & Mclean
12. *Attention Deficit Hyperactivity Disorder Monitoring Form- Full Version Weekly (ADHDMF – FVW)* , developed by: Rabiner
13. *Attention Deficit Hyperactivity Disorder Parent's Questionnaire (ADHD - P Q)* , developed by: Barkley
14. *Attention Deficit Hyperactivity Disorder Rating Scale (ADHDRS)* , developed by: American Psychiatric Association (APA)
15. *Attention Deficit Hyperactivity Disorder Vignette and Shared Activities Questionnaire (ADHD – VSAQ)* , developed by: Bell & Morgan
16. *Attitudes/Beliefs about Young Children's Sexual Learning Scale (ABYCSLS)* , developed by: Koch & Brick
17. *Autism Behavior Checklist (ABC)* , developed by: Krug, et. al.
18. *Autism Spectrum Disorder Screening Questionnaire (ASDSQ)* , developed by: Ehlers, et. al.
19. *Autism Spectrum Quotient (ASQ)*, Developed by: Auyeung, et. al.
20. *Autistic Disorder Evaluation Scale (ADES)* , developed by: Arthaud & Duncan
21. *Barkley Deficits in Executive Functioning Scale –Children and Adolescents (BDEFS-CA) / Long Form* developed by: Barkley
22. *Barkley Deficits in Executive Functioning Scale –Children and Adolescents (BDEFS-CA) / Short Form* developed by: Barkley
23. *Blushing Propensity Scale (BPS)* developed by: Leary & Meadows
24. *Center for Epidemiological Studies depression Scale for Children (CES-DS–R)*, Developed by: Weissman, et.al.
25. *Child & Adolescent Developmental History Form (CADHF)* , developed by: MyADHD.com
26. *Child Anxiety Depression Scale (CADS)*, developed by: Chorpita, et. al.
27. *Child Behavior Check List (CBCL)* , developed by: Achenbach
28. *Child Behavior Checklist (CBCL)* , developed by: Achenbach
29. *Child Bipolar Questionnaire (CBQ)*, developed by: Papolos, et. al.
30. *Child Dissociation Checklist (CDCL)* , developed by: Frank
31. *Child life Events Checklist (CLEC)* , developed by: Johnson & McCutcheon
32. *Child Obsessive Compulsive Impact Revised Scale*, developed by: Placentini, et. al.
33. *Child Posttraumatic Stress Disorder Symptoms Scale (CPTSDSS)* , developed by: Foa, et. al.
34. *Child Reaction to Traumatic Events Scale (Revised Version) (CRTES - RV)* , developed by: Jones
35. *Child Sexual Abuse Distress Questionnaire (CSADQ)* , developed by: Kerner, et. al.
36. *Child Sexual Abuse Myth Scale (CSAMS)* , developed by: Collings
37. *Child Sexual Abuse Prevention Program Survey (CSAPPS)* , developed by: Laninng
38. *Child Sexual Abuse Questionnaire (CSAQ)* , developed by: Finkelhor
39. *Child Sexual Abuse Questionnaire (CSAQ)*, developed by: Halperin, et. al.
40. *Child Stress Reaction Checklist (CSRCL)*, developed by: Saxe, et. al.
41. *Child's Challenging Behavior Scale (CCBS)*, developed by: Taylor. et. al.
42. *Childhood Anxiety Sensitivity Index (CASI)*, developed by: Silverman, et. al.
43. *Childhood Autism Rating Scale – Second Edition (CARS – 2ed)* , developed by: Schopler, et. al.
44. *Childhood Autism Rating Scale (CARS)* developed by: Eric Schopler, Robert J. Reichier & Barbara Renner

45. *Childhood Autism Rating Scale (CARS-2) Second Edition* , developed by: Eric Schopler, Robert J. Reichler & Barbara Renner
46. *Childhood Disorders Checklist (CDCL)* , developed by: MyADHD.com
47. *Childhood Experience Questionnaire (CEQ)* , developed by: Bradley
48. *Childhood Routines Inventory (CRI)*, developed by: Silverman, et. al.
49. *Childhood Sexual Abuse Scale (CSAS)* , developed by: Aalsma & Fortenberry
50. *Childhood Trauma Questionnaire (CTQ)* , developed by: Bernstein & Fink
51. *Children Depression Inventory-1 (CDI-1)*, developed by: Maria Kovacs
52. *Children Depression Inventory-2 (CDI-2)*, developed by: Maria Kovacs
53. *Children Emotion Management Scale – Happiness (CEMS - H)*, developed by: Zeman, et. al.
54. *Children Fear Scale (CFS)*, developed by: McMurtry, et. al.
55. *Children Medical Fear Scale (Revised Version) (CMFS - R)*, developed by: Broome, et. al.
56. *Children Shyness Questionnaire (CHQ)*, developed by: Arbelle, et. al.
57. *Children Traumatic Events scale (CTES)* , developed by: Pennebaker & Susman
58. *Children’s Depression Rating Scale (Revised) (CDRS - R)*, developed by: Poznanski & Mokros
59. *Children’s Depression Screener Scale (Child-S)*, developed by: Fruhe, et. al.
60. *Children’s Florida Obsessive – Compulsive Inventory (C-FOCI)*, developed by: Storch, et. al.
61. *Children’s Inventory of Anger (CHIA)* , developed by: Nelson & Finch
62. *Children’s Moods Fears and Worries Questionnaire*, developed by Luke Anthony Prendergast , et. al.
63. *Children’s Yale – Brown Obsessive Compulsive Scale (CY –BOCS)*, developed by: Godman, et. al.
64. *Children's Depression Inventory 2nd Edition Short Form (CDI-2 -SF)*, developed by: Maria Kovacs
65. *COLUMBIA-SUICIDE SEVERITY RATING SCALE (C-SSRS)* , developed by: Posner
66. *Conduct Disorder Rating Scale – Teacher Version (CDRS - TV)* , developed by: Waschbusch & Elgar
67. *Conduct Disorder Rating Scale (CDRS)*, developed by: Pelham, et. al.
68. *Conduct Problems Risk Screen Scale (CPRSS)*, developed by: Duncombe, et. al.
69. *Conners Parent Rating Scale (Full Version) (CPRS - FV)* , developed by: Conners
70. *Conners Teacher Rating Scale (Short Version) (CTRS- SV)* , developed by: Conners
71. *Crozier Children’s Shyness Questionnaire (CCSQ)*, developed by: Crozier
72. *Death Anxiety Scale for Children (DASC)*, developed by: Scheell & Seefeldt
73. *Deliberate Self-Harm Inventory (DSHI)* , developed by: Gratz
74. *Depression Scale for Children & Adolescents (DSCA)*, developed by: Vulic -Prtoric, et. al.
75. *Depression Self – Rating Scale for Children (DSRSC)*, developed by: Birlson
76. *DSM-III-R Screener for Children Depression (DSM-III-R-SCD)*, developed by: Roberts
77. *Early Autism Experiences Survey (EAES)* , developed by: Gaitonde
78. *Empathy for Children Scale (ECS)*, developed by: Schaeffer, et.al.
79. *Exposure to Potentially Traumatic Events Scale (EPTES)* , developed by: Salloum, et. al.
80. *Extended Grief Inventory (EGI)*, developed by: Layne, et. al.
81. *Eyberg Child Behavior Inventory (ECBI)* , developed by: Eyberg
82. *Fear Survey Schedule for Children (Revised Version)(FSSC - R)*, developed by: Ollendick
83. *Friendship Jealousy Questionnaire (FJQ)* developed by: Parker, et. al.
84. *Gilliam Autism Rating Scale–Second Edition (GARS – 2)* , developed by: Gilliam
85. *Goldberg Depression Questionnaire (GDQ)*, developed by: Goldberg

86. *Gullone & King Fear Survey Schedule for Children (G&KFSSC- II)*, developed by: Gullone & King
87. *Hogan Inventory of Bereavement (HIB)*, developed by: Hogan
88. *Impact of Event Scale – Revised (IES-R)* , developed by: Weiss & Marmar
89. *Initial Attention Deficit Hyperactivity Disorder Evaluation Parent Questionnaire (I ADHD EPQ)* , developed by: MyADHD.com
90. *International Classification of Diseases (Major Depression Inventory) (ICD – 10 – MDI)*, developed by: World Health Organization
91. *Irritability Scale for Children (ISC)*, developed by: Caprara, et. al.
92. *ISSI* developed by Ruth Aspy and Barry G. Grossman
93. *Jacobs Depression Self – rating Scale For Children (DSRS-C)*, developed by: Jacobs
94. *Kazdin Children’s Hopelessness Modified Scale (KCHS-MV)*, developed by: Kazdin
95. *Knowledge about Young Children's Sexual Learning Scale (KYCSLS)* , developed by: Koch & Brick
96. *Kutcher Adolescents & Children Depression Scale (KACDS)*, developed by: Kutcher
97. *Les Aventures de PATTE NOIRE*, developed by: Corman
98. *Leyton Obsessional Inventory-Child Version (LOI-CV)* , developed by: Bamber, et. al.
99. *Life Events Scale (LES)*, developed by: Singer, et. al.
100. *Losangeles Symptoms Checklist (LSCL)*, developed by: King, et. al.
101. *Loss Response List (LRL)* , developed by: Wheeler & Austing
102. *Louisville Fear Survey for Childhood Inventory (LFSCI)*, developed by: Louisville
103. *Maudsley Obsessive – Compulsive Inventory (MOCI)* , developed by: Godgson & Rachman
104. *McCroskey & Richmond Shyness Scale (MSS)*, developed by: McCroskey & Richmond
105. *Minnesota Visual Autism Symptom Scale (MIN - VASS)* , developed by: Halpin
106. *Modified Checklist for Autism Toddlers (M - CHAT)* , developed by: Robins, et. al.
107. *Multidimensional Anxiety Scale for Children (MASC)*, developed by: March, et. al.
108. *Multidimensional Jealousy Scale (MJS)* developed by: Wong & Pfeiffer
109. *Multiscore Depression Inventory for Children (MDI- C)*, developed by: Berndt
110. *My Worst Experience Scale (MWES)*, developed by: Hyman, et. al.
111. *Normal Grief Reactions Scale (NGRS)* , developed by: Eric
112. *Normative Beliefs about Aggression Scale (NOBAGS)*, developed by: Guerra & Huesmann
113. *Novotni Social Skills Checklist-Observer Report Version (NSSCL – ORV)* , developed by: Novotni
114. *Novotni Social Skills Checklist-Self Report Version (NSSCL – SRV)* , developed by: Novotni
115. *Obsessive Beliefs Questionnaire (OBQ)* , developed by: Occwg
116. *Orpinas Modified Depression Scale for Children (OMDS -C)*, developed by: Orpinas
117. *Overt Aggression Scale*, developed by Jessica A. Hellings , et. al.
118. *Pediatric & Adolescents Center of Grand Prairie Arlington for Attention Deficit Hyperactivity Disorder Questionnaire (PACGPA - ADHDQ)* , developed by: Epifania
119. *Pediatric Anger Scale (PAS)*, developed by: Irwin, et. al.
120. *Pediatric Emotional Distress Scale (PEDS)* , developed by: Saylor & Swenson
121. *Personal & Social Perception Sexual Abuse of Male Scale (PSPSAMS)* , developed by: Nalavany
122. *Posttraumatic Stress Disorder Checklist (PTSDC)* , developed by: Weathers, et. al.
123. *Posttraumatic Stress Disorder Checklist(PTSDC)* developed by : F. Weathers, et. al.
124. *Preschool Anxiety Scale* , developed by Susan H. Spence & Ronald Rapee
125. *Preschool Feeling Check List (PFC)*, developed by: Luby, et. al.

126. *Preschool Language Scales-Fifth Edition* developed by Irla Lee Zimmermerman , Violette G.Steiner & Robera Evatt Pond
127. *Prolonged Grief Inventory for Children (PGIC)* , developed by: Pringson & Jacobs
128. *Quantitative Checklist for Autism in Toddlers (Q – CHAT)*, developed by: Allison, et. al.
129. *Renolds Adolescents & Children Depression Scale – Second Edition (RACDS – 2ed)*, developed by: Renolds
130. *Revised Children Anxiety & Depression Scale (RCADS)*, developed by: Chorpita et. al.
131. *Revised Children’s Manifest Anxiety Scale (RCMAS)*, developed by: Richmond & Reynolds
132. *Revised Children's Manifest Anxiety Scale -37 (RCMAS-37)*, developed by: Reynolds & Richmond
133. *Revised Children's Manifest Anxiety Scale -49 (RCMAS-49)*, developed by: Reynolds & Richmond
134. *Revised Grief Experience Inventory (RGEI)* , developed by: Lev, et. al.
135. *Ritvo Autism Asperger’s Diagnostic Scale – Revised (RAASD - R)* , developed by: Ritvo, et. al.
136. *Screen for Child Anxiety Related Emotional Disorders* , developed by Boris Birmaher
137. *SEARS-Parent (SEARS-P)* developed by Kenneth W. Merrell
138. *Self-harm Reasons Questionnaire (Modified Version) (SHRQ- M V)*, developed by: Lewis & Santor
139. *Sex with Child Scale (SWCS)*, developed by: Mann, et. al.
140. *Sexual Knowledge and Attitude Test for Adolescents (SKATA)* , developed by: Fullard & Scheier
141. *Social Anxiety Scale for Children – Revised (SASC - R)*, developed by: Greca & Stone
142. *Social Phobia & Anxiety Inventory for Children (SPAI - C)*, developed by: Beidel, et. al.
143. *Social Phobia and Anxiety Inventory for Children* , developed by Beidel, Turner, & Fink
144. *Spence Children Anxiety Scale (SCAS)*, developed by: Spence
145. *Spider Phobia Questionnaire for Children (SPQ - C)*, developed by: Klorman, et. al.
146. *State - Trait Anger Expression Inventory (STAEI - CA)* , developed by: Brunner & Spielberger
147. *State – Trait Anxiety Revised Inventory for Children (STAIC-R)*, developed by: Spielberger, et. al.
148. *Stress Response Scale (SRS)* , developed by: Chandler
149. *Swanson, Nolan & Pelham Rating Revised Scale (SNAP RS- RV)*, developed by: Swanson, et. al.
150. *Swanson, Nolan & Pelham Rating Short Scale (SNAP RS- SV)* , developed by: Swanson, et. al.
151. *Television Induced Fear Scale (TISF)*, developed by: Valkenburg, et. al.
152. *Test Anxiety Inventory for Children & Adolescent (TAICA)*, developed by: Lowe, et. al.
153. *Test Anxiety Scale for Children (TASC)*, developed by: Sarason, et. al.
154. *Texas Revised Inventory of Grief (TRIG)*, developed by: Faschingbauer, et. al.
155. *The 20-Item Leyton Obsessional Inventory-Child Version (LOI-CV)*, developed by: Diane Bamber, et.al.
156. *The Automatic Thoughts Questionnaire For Children (ATQ-C)*, developed by: Kazdin
157. *The Bereavement Phenomenology Questionnaire (BPQ)* , developed by: Burnett, et al.
158. *The Childhood Bereavement Questionnaire (CBQ) [From A: Brother]*, developed by: Wise

159. *THE FEAR SURVEY SCHEDULE FOR CHILDREN—II* , developed by Gullone & King
160. *THE MULTIDIMENSIONAL SCHOOL ANGER INVENTORY FOR FEMALES (MSAI-F-36)*, developed by: Furlong et. al.
161. *THE MULTIDIMENSIONAL SCHOOL ANGER INVENTORY FOR MALES (MSAI- M- 31)*, developed by: Smith et. al.
162. *The Projective Storytelling Card for kids*, developed by: Kent Caruso & Richard Pulcini
163. *The Revised Cheek & Buss Shyness Scale (RCBSS)*, developed by: Cheek & Melchior
164. *The Ritvo Autism Asperser Diagnostic Revised Scale (RAADS-R))* , developed by: Ritvo, et al
165. *Trauma Play Scale (TPS)* , developed by: Findling
166. *TRAUMA PLAY SCALE* , developed by Charles Edwin Myers
167. *TRAUMA PLAY SCALE* , developed by Jennifer Hudson Findling
168. *TRAUMA RESILIENCE SCALE FOR CHILDREN* , developed by MACHELLE D. MADSEN THOMPSON
169. *Trauma Symptoms Checklist for Children (TSEC)* , developed by: Quarltene
170. *Traumatic Events Screening Inventory (TESI)*, developed by: Ippen, et. al.
171. *UCC-HF* developed by Ruth Aspy and Barry G. Grossman
172. *University of California at Los Angeles Posttraumatic Stress Disorder Scale (Parent Version) (UCLA PTSDS - PV)*, developed by: Pynoos, et. al.
173. *Unwanted Children Sexual Experiences Questionnaire (UCSEQ)* , developed by: Michael, et. al.
174. *Vanderbilt Attention Deficit Hyperactivity Disorder Diagnostic Parent Rating Scale (VADPRS)*, developed by: Wolraich, et. al.
175. *Vanderbilt Attention Deficit Hyperactivity Disorder Diagnostic Teacher Rating Scale (VADTRS)*, developed by: Wolraich, et. al.
176. *Wender Utah Rating Scale for the Attention Deficit Hyperactivity Disorder (WURS-ADHD)* , developed by: Wender
177. *Yeniden Inhalants Use Severity Scale for Adolescents (YIUSSA)* developed by: K. ÖGEL, et. al.
178. *Youth Bereavement Questionnaire (YBQ)*, developed by: Carol

Created Measurements For Adults
(229) Measurements

1. *Academic Cheating Analogue Scale*
2. *Academic Cheating Brief Scale*
3. *Academic Cheating Scale*
4. *Academic Cheating Short Scale*
5. *Attitude Towards Confrontational Situation Analogue Scale*
6. *Attitude Towards Confrontational Situation Brief Scale*
7. *Attitude Towards Confrontational Situation Scale*
8. *Attitude Towards Confrontational Situation Short Scale*

9. *Attitude Towards Group Psychotherapy Analogue Scale*
10. *Attitude Towards Group Psychotherapy Brief Scale*
11. *Attitude Towards Group Psychotherapy Scale*
12. *Attitude Towards Group Psychotherapy Short Scale*
13. *Attitude Towards Suicide Analogue Scale*
14. *Attitude Towards Suicide Brief Scale*
15. *Attitude Towards Suicide Scale*
16. *Attitude Towards Suicide Short Scale*
17. *Attitude Towards Therapeutic Group Analogue Scale*
18. *Attitude Towards Therapeutic Group Brief Scale*
19. *Attitude Towards Therapeutic Group Scale*
20. *Attitude Towards Therapeutic Group Short Scale*
21. *Attitude Towards Therapeutic Institution Analogue Scale*
22. *Attitude Towards Therapeutic Institution Brief Scale*
23. *Attitude Towards Therapeutic Institution Scale*
24. *Attitude Towards Therapeutic Institution Short Scale*
25. *Automatic Thoughts Analogue Inventory*
26. *Automatic Thoughts Brief Inventory*
27. *Automatic Thoughts Inventory*
28. *Automatic Thoughts Short Inventory*
29. *Criminal Tendencies Analogue Scale*
30. *Criminal Tendencies Brief Scale*
31. *Criminal Tendencies Scale*
32. *Criminal Tendencies Short Scale*
33. *Deep Comprehensive Clinical Interview Index*
34. *Depression Cues Analogue Check List*
35. *Depression Cues Brief Check List*
36. *Depression Cues Check List*
37. *Depression Cues Short Check List*
38. *Depressive Defeating Beliefs Analogue Inventory*
39. *Depressive Defeating Beliefs Brief Inventory*
40. *Depressive Defeating Beliefs Inventory*
41. *Depressive Defeating Beliefs Short Inventory*
42. *Depressive Response Analysis Illustrated Projective Test*
43. *Distressful Irrational Beliefs Analogue Inventory*
44. *Distressful Irrational Beliefs Brief Inventory*
45. *Distressful Irrational Beliefs Inventory*
46. *Distressful Irrational Beliefs Short Inventory*
47. *Dysfunctional Attitudes Analogue Scale*
48. *Dysfunctional Attitudes Brief Scale*
49. *Dysfunctional Attitudes Scale*
50. *Dysfunctional Attitudes Short Scale*
51. *Dysfunctional Attitudes Toward Sickle Cell Disease Analogue Scale*
52. *Dysfunctional Attitudes Toward Sickle Cell Disease Brief Scale*
53. *Dysfunctional Attitudes Toward Sickle Cell Disease Scale*
54. *Dysfunctional Attitudes Toward Sickle Cell Disease Short Scale*

55. *Effective Communication Skills Evaluative Analogue Scale*
56. *Effective Communication Skills Evaluative Brief Questionnaire*
57. *Effective Communication Skills Evaluative Questionnaire*
58. *Effective Communication Skills Evaluative Short Questionnaire*
59. *Emotional & Behavioral Changes related to Stressful Situation Analogue Scale*
60. *Emotional & Behavioral Changes related to Stressful Situation Brief Check List*
61. *Emotional & Behavioral Changes related to Stressful Situation Check list*
62. *Emotional & Behavioral Changes related to Stressful Situation Short Check List*
63. *Frustration Analogue Scale*
64. *Frustration Brief Scale*
65. *Frustration Scale*
66. *Frustration Short Scale*
67. *General University Academic Overachievement Analogue Questionnaire*
68. *General University Academic Overachievement Brief Questionnaire*
69. *General University Academic Overachievement Questionnaire*
70. *General University Academic Overachievement Short Questionnaire*
71. *Generalized Anxiety Disorder Analogue Check List*
72. *Generalized Anxiety Disorder Brief Check List*
73. *Generalized Anxiety Disorder Check List*
74. *Generalized Anxiety Disorder Short Check List*
75. *Graduation Anxiety Analogue Scale*
76. *Graduation Anxiety Brief Scale*
77. *Graduation Anxiety Scale*
78. *Graduation Anxiety Short Scale*
79. *Group Psychotherapy Prognosis Analogue Scale*
80. *Group Psychotherapy Prognosis Brief Scale*
81. *Group Psychotherapy Prognosis Scale*
82. *Group Psychotherapy Prognosis Short Scale*
83. *Group Psychotherapy Related Problems Analogue Check List*
84. *Group Psychotherapy Related Problems Brief Check List*
85. *Group Psychotherapy Related Problems Check list*
86. *Group Psychotherapy Related Problems Short Check List*
87. *Hypochondriasis Analogue Scale*
88. *Hypochondriasis Brief Scale*
89. *Hypochondriasis Scale*
90. *Hypochondriasis Short Scale*
91. *Hysterical Behavior Analogue Scale*
92. *Hysterical Behavior Brief Scale*
93. *Hysterical Behavior Scale*
94. *Hysterical Behavior Short Scale*
95. *Incomplete Sentences Blank Depression Test*
96. *Masochistic Personality Disorder Analogue Scale*
97. *Masochistic Personality Disorder Brief Scale*
98. *Masochistic Personality Disorder Scale- 50*
99. *Masochistic Personality Disorder Short Scale*
100. *Medical Patient Affect Profile Analogue Scale*

101. *Medical Patient Affect Profile Brief Scale*
102. *Medical Patient Affect Profile Scale*
103. *Medical Patient Affect Profile Short Scale*
104. *Negative Feelings Analogue Check List*
105. *Negative Feelings Brief Check List*
106. *Negative Feelings Check list*
107. *Negative Feelings Short Check List*
108. *OCD Irrational Beliefs Analogue Inventory*
109. *OCD Irrational Beliefs Brief Inventory*
110. *OCD Irrational Beliefs Inventory*
111. *OCD Irrational Beliefs Short Inventory*
112. *OCD Symptoms Analogue Check List*
113. *OCD Symptoms Brief Check List*
114. *OCD Symptoms Check list*
115. *OCD Symptoms Short Check List*
116. *Other-Alienation Analogue Scale*
117. *Other-Alienation Brief Scale*
118. *Other-Alienation Scale*
119. *Other-Alienation Short Scale*
120. *PAD Catastrophic Thoughts Analogue Inventory*
121. *PAD Catastrophic Thoughts Brief Inventory*
122. *PAD Catastrophic Thoughts Inventory*
123. *PAD Catastrophic Thoughts Short Inventory*
124. *PAD Irrational Beliefs Analogue Inventory*
125. *PAD Irrational Beliefs Brief Inventory*
126. *PAD Irrational Beliefs Inventory*
127. *PAD Irrational Beliefs Short Inventory*
128. *Panic Attack Symptoms Diagnostic Criteria Analogue Check List*
129. *Panic Attack Symptoms Diagnostic Criteria Brief Check List*
130. *Panic Attack Symptoms Diagnostic Criteria Check list*
131. *Panic Attack Symptoms Diagnostic Criteria Short Check List*
132. *Perceived Pain of Sadistic Torture of Husband Analogue Scale*
133. *Perceived Pain of Sadistic Torture of Husband Brief Scale*
134. *Perceived Pain of Sadistic Torture of Husband Scale – 36*
135. *Perceived Pain of Sadistic Torture of Husband Short Scale*
136. *Perceived Psychological Violence Behaviors against Woman Analogue Check List*
137. *Perceived Psychological Violence Behaviors against Woman Brief Check List*
138. *Perceived Psychological Violence Behaviors against Woman Check list*
139. *Perceived Psychological Violence Behaviors against Woman Short Check List*
140. *Physical Self-Harm behavior Analogue Inventory*
141. *Physical Self-Harm behavior Brief Inventory*
142. *Physical Self-Harm behavior Inventory – 30*
143. *Physical Self-Harm behavior Short Inventory*
144. *Positive Values Analogue Inventory*
145. *Positive Values Brief Inventory*
146. *Positive Values Inventory*
147. *Positive Values Short Inventory*

148. *Psychological Self-Harm behavior Analogue Inventory*
149. *Psychological Self-Harm behavior Brief Inventory*
150. *Psychological Self-Harm behavior Inventory- 30*
151. *Psychological Self-Harm behavior Short Inventory*
152. *Psychotherapy Readiness Evaluation Analogue Scale*
153. *Psychotherapy Readiness Evaluation Brief Scale*
154. *Psychotherapy Readiness Evaluation Scale*
155. *Psychotherapy Readiness Evaluation Short Scale*
156. *Repressed Unresolved Trauma Brief Inventory*
157. *Repressed Unresolved Trauma Inventory – 400*
158. *Repressed Unresolved Trauma Short Inventory*
159. *Revised Depression Reference Scale*
160. *Romantic Love-Problems Analogue Schedule*
161. *Romantic Love-Problems Brief Schedule*
162. *Romantic Love-Problems Schedule*
163. *Romantic Love-Problems Short Schedule*
164. *Sad Music Emotional Response Analogue Scale*
165. *Sad Music Emotional Response Brief Scale*
166. *Sad Music Emotional Response Scale*
167. *Sad Music Emotional Response Short Scale*
168. *Sadness Tendency Analogue Scale*
169. *Sadness Tendency Brief Scale*
170. *Sadness Tendency Scale*
171. *Sadness Tendency Short Scale*
172. *School Peers Bullying Analogue Inventory*
173. *School Peers Bullying Brief Inventory*
174. *School Peers Bullying Inventory – 62*
175. *School Peers Bullying Short Inventory*
176. *Self-Alienation Analogue Scale*
177. *Self-Alienation Brief Scale*
178. *Self-Alienation Scale*
179. *Self-Alienation Short Scale*
180. *Sense of Responsibility Analogue Scale*
181. *Sense of Responsibility Brief Scale*
182. *Sense of Responsibility Scale*
183. *Sense of Responsibility Short Scale*
184. *Sickle Cell Disease Diagnostic Symptoms & Complications Analogue Inventory*
185. *Sickle Cell Disease Diagnostic Symptoms & Complications Brief Inventory*
186. *Sickle Cell Disease Diagnostic Symptoms & Complications Inventory*
187. *Sickle Cell Disease Diagnostic Symptoms & Complications Short Inventory*
188. *Social Skills Evaluation Brief Check List*
189. *Stockholm Syndrome Evaluation Analogue Inventory*
190. *Stockholm Syndrome Evaluation Brief Inventory*
191. *Stockholm Syndrome Evaluation Inventory*
192. *Stockholm Syndrome Evaluation Short Inventory*
193. *Suicidal Ideation Analogue Inventory*
194. *Suicidal Ideation Brief Inventory*

- 195. *Suicidal Ideation Inventory -25*
- 196. *Suicidal Ideation Short Inventory*
- 197. *Ten Cognitive Traps Inventory*

- 198. *Therapeutic Role Orientation Analogue Scale*
- 199. *Therapeutic Role Orientation Brief Scale*
- 200. *Therapeutic Role Orientation Scale*
- 201. *Therapeutic Role Orientation Short Scale*
- 202. *Tortured Wives Bereavement Analogue Scale*
- 203. *Tortured Wives Bereavement Brief Scale*
- 204. *Tortured Wives Bereavement Scale*
- 205. *Tortured Wives Bereavement Short Scale*
- 206. *Traumatized Victimization Symptoms Caused By School Peers Bullying Inventory – 68*
- 207. *Traumatized Victimization Symptoms Caused By School Peers Bullying Brief Inventory*
- 208. *Traumatized Victimization Symptoms Caused By School Peers Bullying Short Inventory*
- 209. *Traumatized Victimization Symptoms Caused By School Peers Bullying Analogue Inventory*
- 210. *Vision loss Anxiety Analogue Scale*
- 211. *Vision loss Anxiety Brief Scale*
- 212. *Vision loss Anxiety Scale*
- 213. *Vision loss Anxiety Short Scale*
- 214. *Vocational Adjustment for Workmen Analogue Scale*
- 215. *Vocational Adjustment for Workmen Brief Scale*
- 216. *Vocational Adjustment for Workmen Scale*
- 217. *Vocational Adjustment for Workmen Short Scale*
- 218. *Vocational Alienation Analogue Scale*
- 219. *Vocational Alienation Brief Scale*
- 220. *Vocational Alienation Scale*
- 221. *Vocational Alienation Short Scale*
- 222. *Waiting Anxiety Analogue Scale*
- 223. *Waiting Anxiety Brief Scale*
- 224. *Waiting Anxiety Scale*
- 225. *Waiting Anxiety Short Scale*
- 226. *Widowhood Anxiety Analogue Scale*
- 227. *Widowhood Anxiety Brief Scale*
- 228. *Widowhood Anxiety Scale*
- 229. *Widowhood Anxiety Short Scale*

Translated Measurements For Adults

(264) Measurements

1. *16-Item Quick Inventory of Depressive Symptomatology, developed by John Rush , et. al.*
2. *Abusive Behavior Inventory -30 , Developed by Suiata Desai*

3. *Academic hope scale, developed by Nadereh Sohrabi Shegefti & Siamak Samani*
4. *Adolescents Self – Image Questionnaire - 130, developed by Offer, Ostrov, & Howard*
5. *Adult Autism Spectrum Quotient (AQ) , developed by: Baron-Cohen, Wheelwright, Skinner, Martin and Clubley*
6. *Adult Sources of Self-Esteem Inventory-20 , developed by James S. Fleming & Alanna Elovson*
7. *Adult Well – being Scale(AWBS), developed by: Antony Cox & Arnon Bentovim*
8. *Affective and Motivational Orientation Related to Erotic Arousal Questionnaire developed by: Craig Hill*
9. *Affective Communication Questionnaire (ACQ) , developed by: Meehan*
10. *Affective Relationships Questionnaire-30, developed by Donatella Marazziti et. al.*
11. *Aggression Questionnaire (AQ) , developed by: Buss & Perry*
12. *Anger Management Questionnaire-20 , developed by CNT Center*
13. *Anger Regulation & Expression Scale (ARES) , developed by: DiGiuseppe & Tafrate*
14. *Anger Rumination Scale, developed by Sukhodolsky , et. al*
15. *Anxiety Control Questionnaire, developed by Barbara J. Zebb & Michael C. Moore*
16. *Anxiety scale (A S) , developed by: Morris & Frest*
17. *Anxiety Sensitivity Index (ASI), developed by: Reiss, et. al.*
18. *Aphasic Depression Rating Scale (ADRS), developed by: Benaim, et. al.*
19. *Approaches to Happiness Questionnaire-18 , developed by Chris Peterson*
20. *Assertion Questionnaire (A Q), developed by: Peter Lewinsohn*
21. *Attitudes toward Violence Revised Scale , developed by Anderson, C.A., Benjamin, A.J., Wood, P.K., & Bonacci, A.M*
22. *Attitudes Toward Violence Scale, developed by Craig A. Anderson , et. al.*
23. *Attitudes Toward Love Scale -29, developed by Sporkowski, M*
24. *Attribution Styles Scale (ASS) , developed by: Meyer & Taylor*
25. *Attributional Style Questionnaire (Expand) (ASQ) , developed by: Peterson & Villanova*
26. *Automatic Thoughts Questionnaire-Revised (ATQ-R), developed by: Kendall et al.*
27. *Balanced Emotional Empathy Scale - 13, developed by Mehrabian*
28. *Beck Anxiety Inventory (AI), developed by: Beck*
29. *Beck Depression Inventory – 1 developed by: Beck*
30. *Beck Depression Inventory – 2 developed by: Beck*
31. *Beck's Hopelessness Scale (HS), developed by: Beck & Steer*
32. *Behavioral Activation for Depression Short Form Scale - 25, developed by Manos , R.*
33. *Berger Self – acceptance Scale (BSAS) , developed by: Berger*
34. *Body Image – Acceptance and Action Questionnaire (BI-AAQ) developed by : Sandoz, et.al.*
35. *Bond's Defense Style Questionnaire - 88, developed by Michael Bond*
36. *Borderline Personality Syndrome Index, developed by Conte, H.*
37. *Borderline symptom list 23 , developed by Bohus et al*

38. *Brief Cope Scale - 28, developed by Carver, Scheier & Weintraub*
39. *Brief Core Schema Scale (BCSS), developed by: FOWLER, et. al.*
40. *Brief Depression Scale - 11, developed by Harold G. Koenig et al*
41. *Brief Depression Screening Scale (BDSS), developed by: HAMOND, et. al.*
42. *Brief Fear of Negative Evaluation Scale (BFNE) , developed by: Leary*
43. *Brief Social Support Scale - 9, developed by Guillermo Bernal et. al.*
44. *Brief Symptom Inventory - 53, developed by Derogatis & Melisaratos*
45. *Burnout Inventory - 73, developed by R. Warley*
46. *Burns Anxiety Inventory (BAI), developed by: Burns*
47. *Burns Depression Checklist - 25, developed by David M. Burns*
48. *CAGE Questionnaire (CAGEQ), developed by: Ewing*
49. *Causal Attribution for Coital Scale (CACCS), developed by: Gritlli & Bridges*
50. *Change Processes Questionnaire – 40 , Alcohol Version: Form AB , developed by UMBC*
51. *Change Processes Questionnaire – 40 , Drugs Version: Form AB , developed by UMBC*
52. *Change Processes Questionnaire – 40 , SMOKING Version: Form AB , developed by UMBC*
53. *Change Processes Short Questionnaire – 20 , Alcohol Version Form AB , developed by UMBC*
54. *Change Processes Short Questionnaire – 20 , Drugs Version Form AB , developed by UMBC*
55. *Change Processes Short Questionnaire – 20 , Smoking Version Form AB , developed by UMBC*
56. *Close Relationship Experiences Revised Scale - 36, developed by Fraley ; Waller; & Brennan*
57. *Close Relationship Experiences Scale- 36 , developed by Brennan, K., et.al.*
58. *CMPAS -Voyeurism Scale, developed by: Burke*
59. *Cognitive Emotion Regulation Questionnaire- 36 , developed by Garnefski, et al.*
60. *Columbia-Suicide Severity Rating Scale (C-SSRS), developed by: Posner, et.al.*
61. *Commitment Level Scale (CLS) , developed by: Rusbult, et.al.*
62. *Communication Pattern Scale (CPS) , developed by: Jang*
63. *Communication Type Strategies Scale (TCSS), developed by: Lucas*
64. *Complicated Greif Inventory - 19, developed by Holly Prigerson.,et.al.*
65. *Conflict Scale - 14, developed by Strom, R.*
66. *Conflict Tactics Revised Scale (2) – 78, developed by Straus, , et al.*
67. *Conflict Tactics Scale (Revised) (CTS-R), developed by: Straus, et. al*
68. *Contraceptive Attitude Scale (CAS) , developed by: Black*
69. *Contraceptive Utilities, Intention and Knowledge Scale (CUIKS), developed by: Condelli*
70. *Conversation Skill Scale, developed by : Trevisan, Tafreshi, Slaney & Yager*
71. *Copenhagen Burnout Inventory, developed by: Borritz & Kristensen*
72. *Coping Orientations to Problems Experienced Scale - 26, developed by Carver, C.,et.al.*
73. *Coping Strategy Indicator Scale (CSIS) , developed by: Frazier & Burnett*
74. *Counselor Burnout Inventory - 19, developed by , D.E.Hekathorn et.al.*
75. *Danger Assessment Scale - 15, developed by J. C. Camphell*
76. *Darke & Freedman Beliefs Around Luck Scale - 22, developed by John Maltby .,et.al.*

77. *Death Anxiety Inventory (DAI)* , developed by: *TOMÁS-SÁBADO, et. al.*
78. *Death Concern Scale (DCS)*, developed by: *Louis S. Dickstein*
79. *Dental Anxiety scale (DAS)* , developed by: *Corah*
80. *Dental fear survey (DFS)* , developed by: *Klenknecht*
81. *Depression Adjective Check Lists (DACL)*, developed by: *Bernard Lubin*
82. *Depression Anxiety Stress Scale - 42*, developed by: *Lovibond & Lovibond*
83. *Depression Questionnaire (D Q)*, developed by: *Pilowsky, et.al.*
84. *Depressive Mood Scale (DMS)* , developed by: *A Committee of Stanford University*
85. *Dickman Impulsivity Instrument*, developed by *Qi Gao, Jie Zhang & Cunxian Jia*
86. *Difficulties in Emotion Regulation Scale (DERS)* , developed by: *Gratz & Roemer*
87. *Dissociation Scale (DS)* , developed by: *Halligan*
88. *Distress Tolerance Scale (DTS)* , developed by: *Simons & Gaher*
89. *Dyadic Adjustment Scale (DAS)* , developed by: *Spanier*
90. *Edinburgh Postnatal Depression Scale - 10*, developed by *Cox, J.L., Holden, J.M., and Sagovsky, R.*
91. *Emotion Regulation Questionnaire (ERQ)* , developed by: *Gross & John*
92. *Enright Forgiveness Short Inventory - 22*, developed by *McLernon, Cairns, Hewstone, and Smith*
93. *Experiences in Close Relationship Scale (ECRS)* , developed by: *Brennan, K., et.al.*
94. *Fear of Anxiety Scale - 50*, developed by *Epstein , W*
95. *Fear of Appearing Incomplete Scale (FAIS)*, developed by: *Lawrence Good & Katherine Good*
96. *Fear of Intimacy Scale (FIS)* , Developed by: *descutner & Thelen*
97. *Fear of Positive Evaluation Scale (FPES)*, developed by: *Weeks. et. al.*
98. *Florida Obsessive-Compulsive Inventory*, developed by *Mirela A. Aldea , et. al.*
99. *Forgiveness Scale - 15*, developed by *Rye*
100. *Friendship Jealousy Questionnaire (FJQ)* , developed by: *Parker, et.al.*
101. *Friendship Quality Questionnaire (Revised Version) (FQQ)* , developed by: *Parker & Asher*
102. *Friendship Questionnaire*, developed by : *Baron-Cohen, & Wheelwright*
103. *Generalized Anxiety Disorder Brief Scale - 7*, development by *Spitzer RL, Kroenke K, Williams JBW, & Lowe B. A*
104. *Geriatric Depression Scale (GDS) (15)*, developed by: *Yesavage, et. al.*
105. *Geriatric Depression Scale (GDS-LF) (30)*, developed by: *Yesavage, et. al.*
106. *Goldberg's Unipolar Big - Five Markers Brief Scale – 40* , development by *Goldberg, L*
107. *Grief Experience Inventory - 134*, development by *Gatherine M.; Paul A.; & Paschal N.*
108. *Hamilton Depression Inventory-23* , developed by: *Hamilton*
109. *Hamilton Depression Rating Scale-17 (HDRS-17)* , developed by: *Hamilton*
110. *Hamilton Depression Rating Scale-21 (HDRS-21)* , developed by: *Hamilton*
111. *Harkavy Asnis Suicide Survey (HASS-I)* , developed by: *Friedman & Asnis*
112. *Havard Depression Scale*, developed by: *Alys Havard*
113. *Health Anxiety Short Inventory*, developed by: *SALKOVSKIS, et. al.*
114. *Health Questionnaire - 10*, development by *Pennebaker & O'Heeron*
115. *Heartland Forgiveness Scale - 18*, development by *Thompson,et.al.*
116. *Henderson/Zimbardo Shyness Questionnaire*, developed by: *Henderson & Zimbardo*
117. *Herpes Attitude Scale* , developed by: *Bruce & McLaughlingia*

118. *Herth Hope Scale (HHS)* , developed by: Herth
119. *Hogan Grief Reaction Check List – 61*, development by Nancy S. Hogan, Daryl B. Greenfield, & Lee A. Schmidt
120. *Hope Indicator Questionnaire* , developed by: Shang
121. *Hopkins Symptom Checklist -58*, development by Derogatis; Lipman; Rickels; Uhlenhuth. & Cov
122. *Hospital Anxiety and Depression Scale*, developed by: Zigmond & Snaith
123. *ICD- 10 Checklist*, Developed by: WHO
124. *Impact of Event Revised Scale*, developed by: Weiss & Marmar
125. *Impulsive Behavior Scale*, developed by: Whiteside & Lynam
126. *Impulsiveness Scale*, developed by: Eysenck & Wilson
127. *Individual Cult Experiences Scale -53*, development by Winocur, whitney, Sorensen, Vaughn &foy
128. *Inner Strength Questionnaire -27*, development by Roux, G , Lewis, K., & Dingley, C.
129. *INTERPERSONAL REACTIONS SHORT INVENTORY*, developed by Leonard J. Roberts, David L. Duffy and Nicholas G. Martin
130. *Interpersonal Resources Scale*, developed by: Mgoqi
131. *Interpersonal Solidarity Scale - 20*, developed by: Wheelless, L
132. *INTERPERSONAL SUPPORT EVALUATION LIST– 40* , development by Sheldon Cohen, Robin Mermelstein, Tom Karmack, and Harry M. Hoberman
133. *Intolerance of uncertainty Short Scale -12)* , developed by: Carleton, et. al.
134. *Jealousy & Communication Questionnaire– 13*, development by Lucas, A.
135. *Jealousy Domains Scale*, developed by: Deering
136. *Jealousy Responsibility Scale*, developed by: Lucas
137. *Jealousy Self – Report Revised Scale*, developed by: Bringle, et.al
138. *Jealousy Survey Form*, developed by: Montalvo
139. *Jealousy vignettes Scale –3*, development by Powell, T.
140. *Job Stress Scale – 40* , development by S. Williams & C. Cooper
141. *Kentucky Inventory of Mindfulness Skills* , developed by: Baer. et. al.
142. *Learned Optimism Test*, developed by: Seligman
143. *Levenson Primary & Secondary Psychopathy Scale*, developed by: Levenson. et. al.
144. *Liebowitz Social Anxiety Scale –24* , development by Liebowitz MR.
145. *Life Experience Survey*, developed by: Sarason. et. al.
146. *Life Orientation Revised Test –10* , development by Schier & Carver
147. *Life satisfaction Index (From A)*, developed by: Newgarten, et.al.
148. *Life Satisfaction Index for the Third Age – Short Form (LSITA- SF)*, developed by: Barrett II & Murk,
149. *Life Satisfaction Survey (LSS)*, developed by: Krapu, et.al.
150. *Life Skills Profile – 39* , development by Rosen, A., Hadzi-Pavlovic, D. & Parker, G
151. *Major Depression Inventory ICD-10 (MDI – ICD – 10)*, developed by: WHO
152. *Mania Questionnaire (MQ)*, developed by: Ivan Goldberg
153. *Marital Satisfaction Scale – 7* , development by Karney, et al.

154. *Maslach Burnout Inventory (MBI)*, developed by: Maslach & Jackson
 155. *Maudsley Violence Questionnaire*, developed by Julian S. Walker
 156. *Measure of Wife Abuse -60* , developed by Rodenburg & Fantuzzo
157. *Measurement of Ambiguity Tolerance* developed by: Robert Norton
 158. *Miller Social Intimacy Scale (MSIS)* , developed by: Miller & Lefcourt
 159. *Mini-Mental Adjustment of Cancer Scale (Mini – MAC)* , developed by: Watson. et. al
 160. *Mood Disorder Questionnaire (MDQ)* , developed by: Hirschfeld
 161. *Multidimensional Jealousy Scale (MJS)* , developed by: Wong & Pfeiffer
 162. *Multidimensional Perceived Social Support Brief Scale – 12* , developed by Dahlem; Zimet & Walker
163. *Multidimensional Self – concept scale (MSCS)* , developed by: Fleming & Courtney
 164. *Multidimensional Students life satisfaction Scale - 40*, developed by Huebner et al .
 165. *Multidimensional_Loss_Scale -20* , developed by De Vellis
166. *Multiscore Depression Inventory (MDI)* developed by: Berndt
 167. *Negative Acts Revised Questionnaire -22* , developed by Einarsen et al.
168. *Novaco Anger Inventory Short Form (NAI-25)*, developed by: Novaco
 169. *Nurse Stress Index -30* , developed by Harris, P. E.
170. *OCD Padua Inventory*, developed by: Ezio Sanavio
 171. *Overcoming Relationship Barriers (ORB)* , developed by: Hultman
 172. *Pain Anxiety Symptom Scale -20 (Pass – 20)* , developed by: McCracken & Dhingra
 173. *Parental Relationship Inventory - 50*, developed by Silver – Stutman & Lich
174. *Perceived Burden Scale (PBS)*, developed by: Struening, et. al.
 175. *Perceived Stress Scale (PSS 10)* , developed by: Cohen & Williamson
 176. *Perceived Wellness Scale - 36*, developed by Adams, Benzer, & Steinhardt
 177. *Personal and world optimism Scale - 40*, developed by Wengler, L., & Svenson, O.
 178. *Personal Efficacy Beliefs Scale- 10*, developed by Babasa, et. al.
179. *Personal Feelings Inventory (PFI)* , developed by: Zubin & Fleiss
 180. *Physical Anxiety Questionnaire (PAQ)*, developed by: Lawrence Good & Chester Parker
 181. *Physical Self-Description Questionnaire - 47*, developed by Marsh
 182. *Pleasant Events Schedule - - 320*, developed by Lewinsohn, et. al.
183. *Positive & Negative Suicide Ideation Inventory (PANSI)*, developed by: Osman, et.al.
 184. *Positive and Negative Affect Schedule-x (P&NAS-X)*, developed by: Watson & Clark
 185. *Positive Automatic Cognition Questionnaire (PACQ)* , developed by: Ingram & Wisnicki
 186. *Post – Traumatic Growth Inventory – 21* , developed by Tedeschi & Calhoun
187. *Psychological Burnout Scale* developed by: Pines
 188. *Psychological Maltreatment of Women Full Form Inventory – 58* , developed by Richard M. Tolman

189. *Psychological Maltreatment of Women Short Form Inventory – 14* , developed by Richard M. Tolman
190. *Psychological Separation from Parents Inventory – 138* , developed by Hoffman
191. *PSYCHOPATHY CHECKLIST–REVISED (PCL-R)* , developed by: Hare
192. *PTD Diagnostic Scale for DSM-5* , developed by Edna B. Foa
193. *PTSD Checklist – 17* , developed by Blake, et al.
194. *PTSD Cognitions Inventory*, developed by: Edna B. Foa , et.al.
195. *Purpose in life Test – 20* , developed by Crumbaugh & Maholick
196. *Quality of life Scale for family caregivers for cancer patients* developed by: Weitzner,et.al
197. *Readiness to Change Questionnaire (RCQ)* , developed by: Heather
198. *Relationship Scale Questionnaire (RSQ)* , developed by: Griffen & Bartholomew
199. *Response to Intrusions Questionnaire (RIQ)* , developed by: Clohessy & Ehlers
200. *Revised Attitudes towards Violence Scale (RATVS)*, developed by: Anderson, et.al.
201. *Romantic Jealousy Assessment Scale – 6* , developed by Greenberg, J & Pyszczynski, T.
202. *Romantic Relationship Scale – 30* , developed by Kosins, D.
203. *Romantic Relationship Scale (RRS)* , developed by: Kosins
204. *Sadistic Impulse Short Scale – 10* , developed by Aisling O’Meara , Jason Davies & Sean Hammond , translated developed by Aisling O’Meara , Jason Davies & Sean Hammond
205. *Sadness Ruminative Response Scale*, developed by Jeffrey Roelofs , et. al.
206. *Self – acceptance Scale (SAS)* , developed by: Berger
207. *Self – esteem Scale (SES)* , developed by: Eysenck & Wilson
208. *Self – image Check List (SICL)*, developed by: Weiner
209. *Self – Report Jealousy Revised Scale – 25* , developed by Bringle, R., et.al.
210. *Self-Control Scale – 36* , developed by June P. Tangney et, al.
211. *Self-Description Questionnaire – 22* , developed by Herbert Marsh
212. *Self-Harm Behavior Questionnaire – 22*, developed by Peter M. Gutierrez ., et. al.
213. *Self-Harm Inventort – 22* , developed by Sansone, Sansone, and Wiederman
214. *Self-Harm Inventory – 25* , developed by Randy A. Sansone , et. al.
215. *Self-Harm Screening Inventory – 20*, developed by Kim , S., et. al.
216. *Sense of Coherence Scale – 29* , developed by Antonovsky
217. *Sibling Jealousy Questionnaire – 16* , developed by Strom, R.
218. *Smilansky Death Concept Questionnaire – 26* , developed by Sara Smilansky
219. *SOCIAL DYSFUNCTION AND AGGRESSION SCALE (SD&AS)* , developed by: Psychiatric Research Unit Clinimetrics Centre in Mental Health
220. *Social Phobia Scale (SPS)* , developed by: Mattick & Clarke
221. *Social Provisions Scale – Friend Version – 12* , developed by Cutrona & Russell
222. *Social Provisions Scale – Parent Version – 12* , developed by Cutrona & Russell
223. *Social Provisions Scale – Partner Version – 12* , developed by Cutrona & Russell
224. *Social Relations Scale – 15*, developed by Turner, et al.

225. *Social Responsibility Questionnaire – 25* , developed by Stevenson & Stoll
226. *Sorensen Self-esteem Test (SSET)* , developed by: Sorensen
227. *Sound Marital House Questionnaire – 299* , developed by Gottman, M & Gottman,S
228. *Speech Anxiety Thoughts Inventory*, developed by Yongrae Cho, Jasper A.J. Smits & Michael J. Telch
229. *Spiritual Assessment Inventory – 47* , developed by Hall & Edwards
230. *Spiritual Well – being Scale – 20* , developed by Paloutzian and Ellison
231. *Spirituality Questionnaire – 50* , developed by Fazakas Laura.
232. *Spirituality Questionnaire (SQ)* , developed by: Fazakas
233. *Spirituality Short form Questionnaire – 12* , developed by Gracie
234. *Spirituality Short form Questionnaire (SFSQ)*, developed by: Graci
235. *Stages of Change Readiness and Treatment Eagerness Scale (SOCRATES)*, developed by: Miller
236. *State-Trait Anger Expression Inventory-2 (STAXI-2)*, developed by: Spielberger, et. al.
237. *State-Trait Inventory for Cognitive and Somatic Anxiety*, developed by Daniel F. Gros
238. *STD Attitude Scale (STDAS)* , developed by: Yarber, et.al.
239. *STI Education Efficacy Survey (STI)* , developed by: Kach
240. *Stressful Situations Coping Inventory – 163* , developed by Endler & Parker
241. *Suicidal Feelings & Self-harm Questionnaire (SFSQ)* , developed by: Cristall
242. *SUICIDAL IDEATION SCALE - 64* , developed by, G. Visvanathan &. A. Mariyammal
243. *Suicide Ideation Scale (GHQ – 28)*, developed by: Goldeny, et.al.
244. *Suicide Intentions Questionnaire (SIQ)*, developed by: Hjelmeland, et.al.
245. *Texas Grief Revised Inventory – 26* , developed by Sidney Zisook
246. *Therapist Interference Behavior Questionnaire / Patient (TIB – P)* , developed by: Gutierrez
247. *Therapy Interference Behavior (Therapist) (TIB – T)* , developed by: Gutierrez
248. *Thought Control Questionnaire (TCQ)*, developed by: Wells & Davies
249. *TODAI Health Index-Depression Scale*, developed by: KAWADAI, et. al.
250. *Trait Meta-Mood Scale (TMMS)* , developed by: Salovey. et. al.
251. *Trauma Symptom Checklist-40 (TSC-40)*, developed by, Diana Elliott & John Briere
252. *Type of Communication Strategies Scale – 39*, developed by Lucas, A.
253. *University Student Depression Inventory – 30*, developed by Khawaja, N.G., & Bryden, K.J.
254. *University student depression inventory (USDI)* , developed by: Khawaja, & Bryden
255. *Verona Service Satisfaction Scale*, developed by Jose ´ Pe ´rez de los Cobos , et. al.
256. *Violence Against Women Severity Scale – 46* , developed by Wiist & McFarlane
257. *Violence Coping Questionnaire - 66*, developed by Folkman & Lazarus
258. *Ways of Coping Checklist (WCCL)*, developed by: Vitaliano. et. al.
259. *WHO Adult ADHD Scale – 18*, developed by RONALD C. KESSLER, et. al.
260. *WHO Quality of Life – 26* , developed by WHO

261. *Yale-Brown Obsessive–Compulsive Scale Second Edition Symptom Checklist, developed by Eric A. Storch , et. al.*
262. *Young Mania Rating Scale (YMRS), developed by: Young, et. al.*
263. *Young Schema Questionnaire – Short Form (YSQ-SF) , developed by: Young & Brown*
264. *Zung Self-Rated Anxiety Scale (SAS), developed by: William Zung*

Created Sex Scales **(50) Scales**

1. *Children Sexual Abuse & Harassment Behavioral Patterns Analogue Check List*
2. *Children Sexual Abuse & Harassment Behavioral Patterns Brief Check List*
3. *Children Sexual Abuse & Harassment Behavioral Patterns Check List*
4. *Children Sexual Abuse & Harassment Behavioral Patterns Short Check List*
5. *Children Sexual Abuse & Harassment Psychodiagnostic Symptoms Analogue Check List*
6. *Children Sexual Abuse & Harassment Psychodiagnostic Symptoms Brief Check List*
7. *Children Sexual Abuse & Harassment Psychodiagnostic Symptoms Check List*
8. *Children Sexual Abuse & Harassment Psychodiagnostic Symptoms Short Check List*
9. *Couple Sexual Adjustment Analogue Inventory*
10. *Couple Sexual Adjustment Brief Inventory*
11. *Couple Sexual Adjustment Inventory*
12. *Couple Sexual Adjustment Short Inventory*

13. *Female Child Sexual Abuse Thematic Apperception Test*
14. *Female Orgasmic Disorder Symptoms Analogue Check List*
15. *Female Orgasmic Disorder Symptoms Brief Check List*
16. *Female Orgasmic Disorder Symptoms Check List*
17. *Female Orgasmic Disorder Symptoms Short Check List*
18. *Lesbian Intimacy Thematic Apperception Test*
19. *Psychological Symptoms of Child Sexual Harassment Trauma Analogue Inventory*
20. *Psychological Symptoms of Child Sexual Harassment Trauma Brief Inventory*
21. *Psychological Symptoms of Child Sexual Harassment Trauma Inventory*
22. *Psychological Symptoms of Child Sexual Harassment Trauma Short Inventory*
23. *Psychological Symptoms of Sexually Abuse Children & Adolescents Analogue Inventory*
24. *Psychological Symptoms of Sexually Abuse Children & Adolescents Brief Inventory*
25. *Psychological Symptoms of Sexually Abuse Children & Adolescents Inventory*
26. *Psychological Symptoms of Sexually Abuse Children & Adolescents Short Inventory*
27. *Puberty Anxiety for Children & Adolescents Analogue Scale*

28. *Puberty Anxiety for Children & Adolescents Brief Scale*
29. *Puberty Anxiety for Children & Adolescents Scale*
30. *Puberty Anxiety for Children & Adolescents Short Scale*
31. *Self Sexual Abuse Analogue Check List*
32. *Self Sexual Abuse Brief Check List*

33. *Self Sexual Abuse Check List – 50*
34. *Self Sexual Abuse Short Check List*
35. *Sexual Abuse Stigma Analogue Scale*
36. *Sexual Abuse Stigma Brief Scale*
37. *Sexual Abuse Stigma Scale*
38. *Sexual Abuse Stigma Short Scale*

39. *Sexual Jealousy Indicators for Children & Adolescents Analogue Questionnaire*
40. *Sexual Jealousy Indicators for Children & Adolescents Brief Questionnaire*
41. *Sexual Jealousy Indicators for Children & Adolescents Questionnaire*
42. *Sexual Jealousy Indicators for Children & Adolescents Short Questionnaire*
43. *Sexual Shyness for Children & Adolescents Analogue Scale*

44. *Sexual Shyness for Children & Adolescents Brief Scale*
45. *Sexual Shyness for Children & Adolescents Scale*
46. *Sexual Shyness for Children & Adolescents Short Scale*
47. *Symptoms Due to Female Children Rape Analogue Check List*
48. *Symptoms Due to Female Children Rape Brief Check List*
49. *Symptoms Due to Female Children Rape Check list*
50. *Symptoms Due to Female Children Rape Short Check List*

Translated Sex Scales **(134) Scales**

1. *Affective and Motivational Orientation Related to Erotic Arousal Questionnaire (AMOREAQ), developed by: Hill*
2. *Aggression Sexual Behavior Inventory (ASBI), developed by: Mosher*
3. *Aggressive Sexual Behavior Inventory - 20, developed by Donald L. Mosher*
4. *Aging Sexual Knowledge and Attitudes Scale (ASKAS), developed by: White*

5. *Arizona Sexual Experiences (ASE), developed by: Arizona Board of Regents, University of Arizona*
6. *Attitude Toward Homosexuality Scale (ATHS) developed by: A. P. MacDonald*
7. *Attitudes about Sadomasochism Scale (ASS), developed by: Yost*
8. *Attitudes Related to Sexual Concerns Scale (ARSCS), developed by: Koch & Cowden*
9. *Attitudes toward Erotica Questionnaire (AEQ), developed by: Lottes & Weinberg*
10. *Attitudes toward Sexuality Scale (ASS), developed by: Fisher*
11. *Attitudes toward Unconventional Sex Scale (AUSS), developed by: Wenner, et.al.*
12. *Attitudes toward Women's Genitals Scale (AWGS), developed by: Herbenick*
13. *Attraction to sexual Aggression Scale (ASAS), developed by: Malamuth*
14. *Barratt Impulsivity Scale, developed by: Barratt*
15. *Brief Index of Sexual Functioning for Women (BISFW), developed by: Rosen, et.al.*
16. *Brief Sexual Attitudes Scale (BSAS), developed by: Hendrick & Hendrick*
17. *Changes in Sexual Functioning Questionnaire (CSFQ), developed by: Clayton & McGarvey*
18. *Cognitive and Behavioral Outcomes of Sexual Behavior Scale (CBOSBS), developed by: McBride*
19. *Compulsive Sexual Behavior Inventory (CSBI), developed by: Coleman & Romine*

20. *Contraceptive Self-Efficacy Scale (CSES)* , developed by: Levinson
21. *Cowart-Pollack scale of sexual experience (Men)* developed by: Debra Cowart & Robert H. Pollack
22. *Cowart-Pollack Scale of Sexual Experience (Men)(CPSSE-M)* , developed by: Cowart & Pollack
23. *Cowart-Pollack scale of sexual experience (Women)* developed by: Debra Cowart & Robert H. Pollack
24. *Cross- Gender Fetish Scale* developed by: Ray Blanchard
25. *Cross- Gender Fetish Scale, (CGFS)* developed by: Blanchard
26. *Dating Behavior Scale*, developed by: Stokes, Newton & Kaur
27. *Decreased Sexual Desire Screener (DSDS)*, developed by: Clyton, et.al.
28. *Derogatis Interview for Sexual Functioning (DISF)* , developed by: Derogatis
29. *Dyadic Sexual Communication Scale (DSCS)*, developed by: Catania
30. *Early Sexual Experience Checklist (ESECL)*, developed by: Miller & Johnson
31. *Emotional Promiscuity Scale (EPS)* , developed by: Jones
32. *Family Life Sex Education Goal Questionnaire- II (FLSEGQ-II)*, developed by: Godin & Razzano
33. *Family Sex Communication Quotient Scale (FSCQS)*, developed by: Warren
34. *Female Orgasm Scale (FOS)* , developed by: Smith & Fisher
35. *Female Partner's Communication during Sexual Activity Scale (FPCSAS)* , developed by: Smith & Fisher
36. *Female Sexual Distress Scale- Revised (FSDS-R)* , developed by: Derogatis, et.al.
37. *Female Sexual Resource Fullness Scale (FSRFS)* , developed by: Humphrey & Kennett
38. *Gay Identity Questionnaire (GIQ)* , developed by: Brady
39. *Health Protective Sexual Communication Scale (HPSCS)*, developed by: Catania
40. *Homophobia Scale (HS)*, developed by: Wright, et.al.
41. *Homophobic Behavior of Students Scale (HBSS)*, developed by: Holt, et.al.
42. *Homosexuality Attitude Scale (HAS)* , developed by: Kite and Deaux
43. *Hulbert Index of Sexual Compatibility (HISC)*, developed by: Hulbert
44. *Human Sexuality Questionnaire (HSQ)* developed by Zuckerman
45. *Hurlburt Index of Sexual Excitability (HISE)*, developed by: Hurlburt
46. *Index of Attitudes toward Homosexuals (IAH)* , developed by: Richetts & Hudson
47. *Index of Sexual Assertiveness (ISA)*, developed by: Hurlburt
48. *Index of Sexual Satisfaction (ISS)* , developed by: Hudson
49. *Intentions towards Infidelity Scale (IIS)* , developed by: BUUNK
50. *Internalized Homophobia Scale (HIS)*, developed by: Wagner
51. *Interpersonal Exchange Model of Sexual Satisfaction Questionnaire (IEMSSQ)*, developed by: Lawrence, et.al.
52. *Intimate Relationships Questionnaire (IRQ)* , developed by: Yesmont
53. *Inventory of Dyadic Heterosexual Preferences (IDHP)*, developed by: Purnine, et.al.
54. *Lesbian, Gay and Bisexual Affirmative Counseling Self-Efficacy Inventory* , developed by: Dillon & Wathington
55. *Lesbian, Gay, and Bisexual Knowledge and Attitudes Scale (LGBKAC)* , developed by: Dillon & Worthington
56. *Male-body Image Self-Consciousness Scale (MBISCS)*, developed by: McDonagh, et.al.
57. *Male-body Image Self-Consciousness Scale* developed by: Lorraine McDonagh, et.al.
58. *Modified Attitudes Toward Homosexuality Scale (MATHS)* developed by Price
59. *Muitidimensional Sexual Self-Concept Questionnaire* developed by: William Snell
60. *Multidimensional Measure of Comfort with Sexuality (MMCS)*, developed by: Tromovitch

61. *Multidimensional Scale of Attitudes Toward Homosexuality (Female Version)(MSATH - F) developed by Halpern*
62. *Multidimensional Scale of Attitudes Toward Homosexuality (Male Version)(MSATH - M) developed by Halpern*
63. *Multidimensional Sexual Approach Questionnaire (MSAQ), developed by: Snell*
64. *Multidimensional Sexual Perfectionism Questionnaire (MSPQ), developed by: Snell*
65. *Multidimensional Sexual Self-Concept Questionnaire (MSSCQ), developed by: Snell*
66. *Need for Sexual Intimacy Scale (NSIS), developed by: Marelich & Shelton*
67. *New Sexual Satisfaction Scale - 20, developed by , et. al. Heiman*

68. *Orgasm Rating Scale (ORS) , developed by: Mah & Binik*
69. *Partner Communication Scale (PCS), developed by: Milhausen, et.al.*
70. *Peer Sexual Harassment Victimization Scale (PSHVS), developed by: Petersen & Hyde*
71. *Questionnaire of Cognitive Schema Activation in Sexual Context (QCSASC) , developed by: Nobre & Pinto-Gouveia*
72. *Rape Myth Scale (RMS) , developed by: Lonsway & Fitzgerald*
73. *Rape Supportive Attitude (RSA) , developed by: Lottes*
74. *Reiss Premarital Sexual Permissiveness Scale (Short Form) (RPSPS-SF), developed by: Reiss*
75. *Revised Attitudes toward Sexuality Inventory (IASI) , developed by: Patton & Mannison*
76. *Revised Mosher Guilt Inventory (RMGI) , developed by: Mosher*
77. *Revised Socio Sexual Orientation Inventory (RSSOI), developed by: Penke*
78. *Safe Sex Behavior Questionnaire (SSBQ), developed by: DiIorio*
79. *Self- Identified Internalized Homophobia Scale (SIHS) , developed by: Weibley & Hindin*
80. *Senior Adult Sexuality Scales (SASS) , developed by: Weinstein*
81. *Sex Anxiety Inventory (SAI) , developed by: Janda*
82. *Sexual Attitude Scale - 20, developed by Hudson & Murphy*

83. *Sexual Activity Questionnaire (Married/Cohabiting Version) (SAQ), developed by: Byers*
84. *Sexual Anxiety Scale (SAS) , developed by: Fallis, et.al.*
85. *Sexual Arousal Inventory (SAI), developed by: Hoon & Chambless*
86. *Sexual Attitude Scale (SAS) , developed by: Hudson & Murphy*
87. *Sexual Awareness Questionnaire (SAQ) , developed by: Snell, et.al.*
88. *Sexual Beliefs Scale (SBS) , developed by: Muehlenhard & Felts*
89. *Sexual Coercion in Intimate Relationships Scale - 34, developed by AARON T. GOETZ*

90. *Sexual Coercion in Intimate Relationships Scale (SCIRS) , developed by: Goetz & Shackelford*
91. *Sexual Coercion Scale (SCS) , developed by:Aalsma & Fortenberry*
92. *Sexual Cognitions Checklist (SCCL) , developed by: Renaud & Byers*
93. *Sexual Compulsivity Scale (SCS) , developed by: Kalichman*
94. *Sexual Consent Scale- Revised (SCS-R) , developed by: Humphreys*
95. *Sexual Deception Scale (SDS) , developed by: Marelich & Slaughter*
96. *Sexual Double Standard (SDS) , developed by: Muehlenhard & Quackenbush*
97. *Sexual Dysfunction Scale (SDS) , developed by: McCabe*
98. *Sexual Dysfunctional Beliefs Questionnaire (Female Version) (SDBQ-FV) , developed by: Nobre & Pinto-Gouveia*
99. *Sexual Dysfunctional Beliefs Questionnaire (Male Version) (SDBQ-MV) , developed by: Nobre & Pinto-Gouveia*

100. *Sexual Function Scale (SFS)* , developed by: McCabe
101. *Sexual Harassment Attitudes Questionnaire (SHAQ)* , developed by: Stake & Malovich
102. *Sexual Health Knowledge Questionnaire for HIV + (SHKQ- HIV +)*, developed by: Vorable, et.al.
103. *Sexual Health Survey (SHS)* , developed by: Eustman- Mueller, et.al.
104. *Sexual History and Adjustment Questionnaire (SHAQ)* , developed by: Lewis & Janda.
